LIGHT SHINING THROUGH THE DARK: INTERACTIONS OF HUMANS AND THEIR ENVIRONMENT

Light Shining Through the Dark is a virtual exhibition that focuses on the interactions of humans and their environments. Some of the artists approached the topic by discussing and depicting community and personal responses to Covid-19, some discussed the dialogue found in their choice of materials and others discussed the physicality of nature around them.

Laura Holzinger.
"One Word". 2020.
Acrylic and vinyl on canvas. 44 x 40
